HOTEL INFORMATION

Set in 475 acres of tranquil Lincolnshire countryside, we are a complete health, golf, sports and activities resort. Whilst it offers a perfect retreat, the hotel is conveniently located just minutes from the A1, less than an hour's drive from East Midlands Airport and one hour by rail from London's Kings Cross.

Beautifully appointed with all of the facilities you would expect from a premier four star hotel, De Vere Hotel Belton Woods represents an exciting new generation of business and leisure venue, where every conceivable need is catered for without you even having to leave the grounds of the hotel.

De Vere Belton Woods is a PGA championship approved venue and, let's be honest, a golfer's paradise. With three challenging courses to play and fantastic facilities, you won't find anywhere else like it in Lincolnshire, or even in the East Midlands. This is golf at its best. Established in 1991, our golf courses at Belton Woods have matured and improved year on year, to produce some of the best courses in the Midlands. We have 45 holes of golf over 3 challenging and picturesque courses including the Championship Lakes course home of the oldest PGA tournament in the world – the Midlands PGA Championships. With its long holes, thin fairways and, as the name suggest, plenty of water hazards, this is a challenging course for any golfer. The picturesque Woodside course has gentle undulating fairways, which makes local knowledge the key to a low score. The course runs alongside many of the wooded areas surrounding the resort and has a number of newly constructed pot bunkers to catch you out.
